

RECREATION COMMISSION MONTHLY MEETING MINUTES

NOVEMBER 30, 2015

(Dec meeting)

MEMBERS PRESENT: Cindi Beede, Catie Caisse, Terri Robbitts, and Bonnie Jones.

Mrs. Beede convened the meeting at 7:00.

1. Interview: The Recreation Commission conducted an interview for the 2016 Fitzwilliam Basketball Program.
2. Basketball/Cheer update: There will be no Cheer program this season. The Recreation Commission did not pursue advertising for the head of Cheer and last year's program leader cannot return this season. The Commission will look into this program's possibilities in the fall of 2016. The Commission as decided upon recommending a candidate for the position of Basketball Coordinator and Cindi will write up a letter for the Selectmen's approval. Cindi spoke with Pat Poole at the Emerson Office and she cannot commit to gym time for the Recreation Department as of yet. She will confirm times with the Emerson Boys Travel Team Coach and let us know availability. Registration for Basketball has been scheduled for Tuesday Dec 15th. A clinic is scheduled for January 9th and 6 consecutive weeks of Saturday morning games (leading to Feb 20th) will follow.
3. Self Defense: The Recreation Commission will attempt to schedule a Self Defense class for February 2016 with Officer Sean Cavanaugh. Cindi will touch base with Officer Cavanaugh after the holiday to get all of the details. She will do so in time to put the information in the towns' newsletters and secure a venue.
4. Ice Rink: The replacement liner has arrived. Instead of disposing the old liner, the Recreation Commission plans to use it as a base for the new rink, hopefully reducing leaks and tears. The task of setting up the rink is totally weather permitting, so the Commission will be on call for set up.

Mrs. Jones made a motion to adjourn at 8:00. Mrs. Caisse seconded and the motion passed 4-0.
